Lifelong professional dream to be at Hanalei
School!

My mission as an educator...

To create a positive school ohana governed by a
standard of aloha.

A school where students are able to grow and
develop to their full academic potential and
social emotional capacity

We do this by providing a quality well-rounded
education, individualized to meet the needs of
each child.

Hanalei School 21-22 Smarter Balanced Assessment Data

The SBA offers an objective measurement of learning and a reliable means for comparing student achievement and growth.

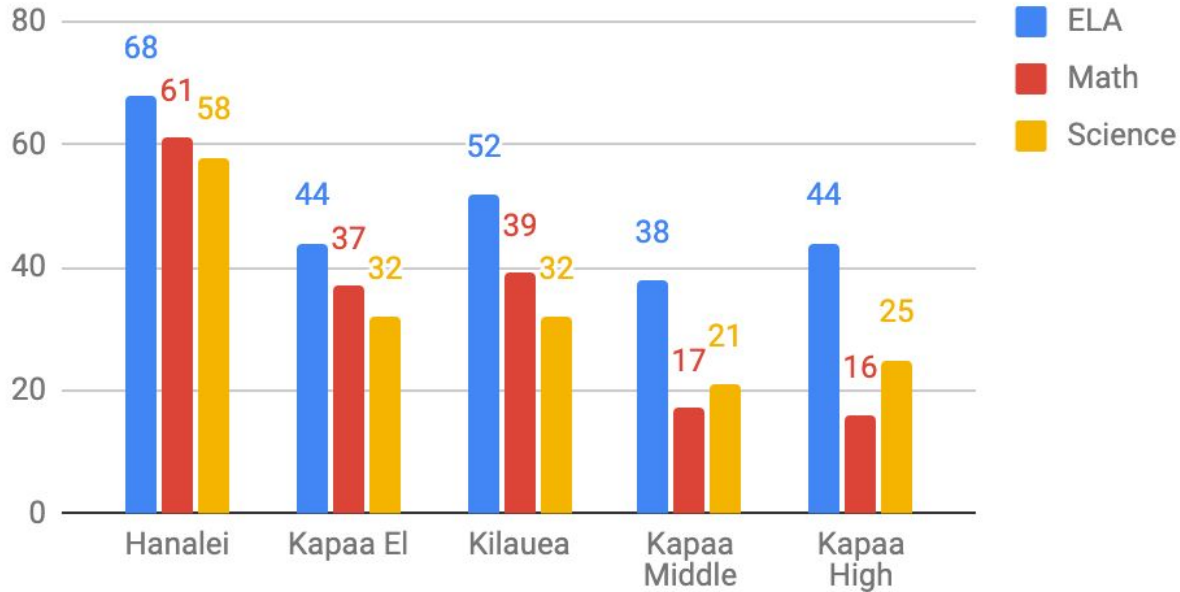

SBA is based on the rigorous Common Core Standards.

Data from the SBA can be used to drive decisions about curriculum, instruction, and assessment to improve student learning.

The Bottom Line

We are doing great! (But of course there is always room for improvement)

Our success is thanks to our wonderful teachers, families and amazing students!

Thank you also to our Hanalei PTA for all of their efforts to keep our class sizes small and our school schedule full of enriching activities for our students.

Thank you to each one of you for your trust!

I promise that I will do my very best for our Hanalei School Ohana!

Mahalo. Mahalo. Mahalo.
