Re: School Year 2025-2026: Quarter 4 School Bus Application Updates

Aloha Parents and Guardians:

School bus applications for **Quarter 4** will open on **Monday, March 2, 2026, at 8 a.m. HST**. All students, including both paid riders and those who qualify for free transportation, must submit a new application each quarter during the designated registration window:

- **Quarter 4 registration window: March 2 to March 27, 2026**

Due to high online traffic to the application portal, you may experience slower load times or occasional timeouts. If this occurs, we appreciate your patience and encourage you to try again.

Paper applications are also available at your school. Because bus seating is limited, we recommend submitting your application as early as possible. Applications are reviewed and approved on a **first-come, first-served basis** as determined by each school.

Applications submitted after the deadline, unpaid applications, or applications not reviewed by the school will be **automatically denied**.

For more information and to access the online registration portal, visit <https://go.hidoe.us/SchoolBusService>.

Should you have any questions or concerns, please contact our office via email at [stsb@k12.hi.us](mailto:stsb@k12.hi.us).

Mahalo for your support!
