### Administration Report - Tony Sines

- May Day -5/20 will be in person. Kumu Mala in agreement. Court eligibility letters going home 3/24, due back 3/29, court selected 4/1. Eligibility adjusted a little to allow a few more kids to be involved. Queen - Ariana Welborne, King - Duncan Miles. Will rely heavily on parents for decoration and tent set up etc. Parent meeting after court is chosen. Some issue with lower El and Kumu Tanya not being present enough to teach lower el hula. Will consult with Kumu Naomi.
- Update on masking policies - masks to be correctly worn indoors. No need to wear in most outdoor settings except in a crowded situation. Some still choose to wear masks consistently, please no mask shaming. Mask mandates being dropped 3/26 in Hawaii EXCEPT for in schools. If the school chooses to drop mask mandates indoors, school has to go with close contacts/5 day quarantine route. If everyone in school masks indoors, there is no close contact/quarantine protocol. Super said continue to mask indoors to avoid close contacts/quarantines (Statewide).
- Academic Plan- look at academic plan summary and budget and put those puzzle pieces together. Barton/Sunday/RTI, subscriptions,etc. Specific pieces of that plan are consistently discussed at staff and admin meetings to reach overall goals of the school.
- Financial Plan - 93% of budget is used for staffing. Used some of the rollover to provide \$600 to each teacher for supplies.
- Personnel- Bell taking a year absence, Rogoff will be assigned to Bell next year. 1st Grade position available - will see if school can get someone on island/in HI can be interviewed. RTI Wendy taking a leave. 4th Grade PTT needed.
- There is going to be a Market Day - last day of school. There will be a Staff vs Student kickball game May 24, Graduation May 25, Market Day May 26 - will invite 6ths to return. Working on date for Pet Day, no Talent Show this year.
- Updated Dress Code - letter sent home before break. Firm, fair and consistent. Consistency hard because of the developmental stages of the students. Tony has not heard anything back about the letter. Make it more fair for the kids, more consistent for staff to be able to support.
